Call to fellow MPs

🗳️ #JoinYourDelegation to the #WHA76!

🌐 The role of #MPs is crucial to advance #GlobalHealth and ensure our populations have access to health services, eliminating the drastic inequalities that exist today

🗳️ I call my fellow parliamentarians to advocate for the inclusion of MPs in the national delegations for the #WHA76!

🏛️ Our participation is fundamental, given our role in law-making, budgeting and oversight! #JoinYourDelegation

Call to governments

🗳️ This year, I am willing to attend #WHA76 in Geneva and advance #GlobalHealth for the benefit of my community

🏛️ I call my government to support the inclusion of parliamentarians in the national delegation! #JoinYourDelegation

Link: <https://ctt.ac/1q0c6>

🗳️ I call my government to support the participation of parliamentarians in the World Health Assembly in May 2023!

#JoinYourDelegation #WHA76

🗳️ I call my Minister of Foreign Affairs to support the participation of parliamentarians in the national delegation to the World Health Assembly in May 2023!

#JoinYourDelegation #WHA76

Link: <https://ctt.ac/e88MB>

🗳️ As a representative of the people, my community expects me to be well informed and to participate in the discussions that will affect their lives

🏛️ So, I call my government to support the participation of #MPs in the delegation to this year's WHA!

#JoinYourDelegation #WHA76

🗳️ Health matters discussed at the international stages often arrive to the national parliaments for MPs debate and ratification

🏛️ For this reason, #MPs must be involved in this year's World Health Assembly debates and take part in the national delegations!
